Dear HR,

I regret to inform you that I am resigning from my position here as a customer service - initial authorization for I have found the increasingly strict compliance requirements and the ongoing investigation related to my potential termination to be particularly challenging. I know this is unexpected and this was not an easy decision. I am grateful for the rewarding employment I've had with Iploy and I cannot thank you enough for the opportunities the company has provided me. I will never forget the colleagues and friends I have made here and I appreciate the professional development and growth working here though it was for a short period of time.

I do not intend to inconvenience you with this news, and I hope you will accept my most sincere apologies.

I wish you nothing but the best. I have been thankful for and happy in my job with Iploy. I will miss you and think of my time here positively.

Regards,

Johnery Ejercito
