To whom it may concern,

Please accept this letter as formal notice of my immediate resignation from my role as a Payor Change Specialist with iPloy as of March 2025. I'm sorry to leave without proper notice. But this job doesn't fit to my current situation anymore, at the same time and I need to resign immediately and find a much better opportunity by working remotely at home. As you all know I just had my baby a few months ago and I need to take care of her and my partner who just went through a C-section to give birth.

To my supervisor I don't intend to inconvenience you and my co-worker with this news, and I hope you accept my sincere apology. I have been with the company for almost 6years, and I appreciate the opportunities for growth and development you have provided during my tenurity. I wish you and the team continued success and best wishes in the future. It's been a great pleasure working with this company. Thank you very much.

Sincerely,

Ervin A. Geonzon
