

It is saddening to be writing this, it really is. This company, iPloy, really means something to me because this is the company that I've worked the longest and lots of memories were created in this very company. I'm proud to be part of this journey. However, a new opportunity has opened up for me and I'd like to grab that for my development as a person and for my future. I'm officially resigning from iPloy-OPC effective January 29 2025 and will do a 30-day render which will last until February 28 2025.

Futhermore, I am requesting to pause/hold the payments of the loans from SSS and Pag-IBIG after Febuary's deduction for the following and would like to continue the payments with the new company.

Thank you for your understanding and support. I hope to stay in touch and wish the company continued success with all future endeavors.

Sincerely,
Stanley Wainwright
