Dear Iploy,

I am writing to formally resign from my position as OHH CSR Phones at Iploy, effective immediately.

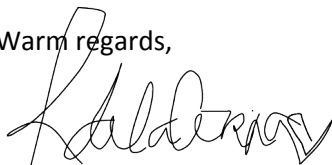

After 9 years and 5 months of dedicated service, this decision is not easy. Iploy has been more than just a workplace—it has been my second home, a family that nurtured my growth and supported me through many seasons. I am deeply grateful for the opportunities, friendships, and experiences that have shaped my journey here.

However, there are moments in life when circumstances arise beyond our control, and we must make difficult choices. This is one of those moments. While I would have preferred a smoother transition, I trust that the team will continue to thrive and uphold the values that make Iploy special.

A heartfelt thank you to Alfred Camarillo, “Doc,” for trusting us as Batch 1. Your belief in us laid the foundation for everything that followed, and I will always carry that with pride.

Please accept my sincere appreciation for everything. I will always carry the spirit of Iploy with me, and I wish the company continued success.

Warm regards,
