

Good day,

I am sending this email as a formal notice of resignation from my position as Documentation-Recert Specialist in iPloy-OPC, effective July 10, 2023. This decision comes with a heavy heart as I have sincerely enjoyed my time in this company and your team as well, but I have to move away to deal with family emergency. I appreciate the mentorship and the opportunities that you and the company have given me to develop my professional skills. The associations I've made during my employment here will truly be memorable for years to come.

I wish you and the company the very best going forward.

Sincerely,

A handwritten signature in black ink, appearing to read "Beverly", followed by a horizontal line extending to the right.
