

Dear Jason Ray Bacon,

I am writing to formally resign, effective June 19, 2024. After careful consideration, I have decided to pursue another opportunity that aligns more closely with my professional goals and personal well-being. The decision to leave was not an easy one, as I have greatly enjoyed my time in this company and have valued the experiences and relationships I have gained here.

Because of personal reasons and overall mental health, I want to take more time for myself and opt for remote work opportunities.

I want to express my gratitude for the opportunities I have been given during my time at iPloy. I have learned and grown a lot professionally, and I am thankful for the support and guidance provided by my colleagues and supervisors.

Sincerely,
