Dear Sir/Ma'am,

Please consider this as my resignation letter from my position as Documentation Specialist at Iplay Staffing Solutions, effective February 15, 2024.

The past years have been incredible, and I have appreciated both being part of the team and the opportunities that have been provided me during the last several years. It has been a pleasure to work within the supportive, stimulating environment of our department, and I will truly miss the friends that I have made here, however, I feel that I need to move on and seek a position that allows for more responsibility and professional career growth.

Thank you for the support and opportunities you have given me in the last several years. I have enjoyed my tenure with the company.

Sincerely,

  
Ralph Cariaga
