Resignation Letter

Jade Fernandez
Senior Team Lead
iPloy OPC
16th Floor One Montage Building, Cebu City

Dear STL Jade,

I regret to inform you of my resignation from iPloy OPC effective immediately on 02/02/2024 as a Team Leader for Solara CSR Phones. I know this is unexpected but considering the circumstances, I have made up my mind in this transitioning

Due to various personal and health reasons, I am no longer able to fulfill my duties effectively as a Team Leader for Solara CSR Phones. Working in iPloy for almost 3 years has been nothing but wonderful, especially on the months that I am under your bucket. When I was a newbie at iPloy, I thought that I will be forever an agent and little did I know I was given a role that is both challenging and rewarding. I truly appreciate the opportunities I have been given to develop my skills and growth not only for my role but to also to become a better individual.

Thank you so much for your guidance and understanding. I will look back on my time with iPloy OPC fondly. I wish you all the best moving forward.

Sincerely,

Angielyn Oyao
