

Hi, good day.

I am writing to formally resign from my position as Authorization Specialist at iPloy OPC, effective December 31, 2025.

I am grateful for the four years I have spent as part of the team. Working in the department, especially within our team, has been a valuable and meaningful experience that I truly appreciated.

However, after careful consideration, I have made the difficult decision to resign. Recent changes within the department and team structure have led me to reassess my professional direction and ultimately decide to move forward elsewhere.

I wish iPloy OPC continued success in the future and hope the organization continues to grow in ways that truly value its people.

Sincerely,
