Hello Doc,

Please accept this letter as notice of my immediate resignation from my position as a Supervisor at PAP Compliance Department effective immediately. Unfortunately, not being able to find a stable babysitter for my daughter, I could no longer continue reporting to work without compromising my daughter's safety as well as my job responsibilities.

I am beyond grateful for the opportunity the company has given me, and I wish you and the company continued success.

Yours Sincerely

  
LOVELY DESPI
