Dear TL,

I am writing to formally submit my resignation from my position as an AR - Medicare at iPloy, OPC., effective immediately.

I recently found an opportunity for a remote position, which has been a personal goal of mine for this year. This new role aligns with my long-term plans and allows me to work in the setup I've been aiming for.

I sincerely appreciate the opportunities, support, and guidance you have provided me during my time here. Please let me know if there is anything I can do to ensure a smooth transition despite the immediate effect of my resignation.

Thank you for your understanding.

Best regards,

Jacklyn Kaushal
