

Good day,

I hope everything is going great today. I am writing you this letter to formally resign as a PAP Adherence Customer Service Representative effective immediately. I am really sorry for the short notice but I really would need to take my leave from the company as soon as possible.

My mother has landed a job as a teacher overseas and she and my father will be leaving the country. I will be returning to the province to take care of our household for good. I highly appreciate and value the learnings that I acquired during my time in the company. I am also grateful for the support and guidance provided by my colleagues and superiors. I wish you all well and thank you so much for understanding.
