To whom it may concern,

I am writing to inform you of my intention to resign from my job as Billing Representative and POC at Iploy OPC. I intend to complete my current month working the week before my final day on August 31, 2023.

I was recently offered an opportunity to work with a company that offers work from home set up which I find so convenient since commuting and getting ready for work hours before my shift has been one of my challenges while I was here at the company.

Since I began working here, my career objectives have changed, and I believe the time has come for me to pursue a different opportunity that is more in line with my current ambitions.

I am very grateful for the chances you provided me with during my stay, as they significantly aided in my professional development over the previous year. The knowledge I've gained will undoubtedly come in handy in the future. Working with you and the rest of the team has been a blast. Again, thank you for the opportunity, and best wishes for the company's success in the years to come.

Sincerely,
 7/31/2023
