Dear iPloy Management,

I am writing to tender my resignation from customer service associate for compliance, effective Monday November 20, 2023. Over the months, I have derived immense learning and growth at iPloy Staffing Solutions. However, I've observed recurring managerial challenges that I find increasingly hard to align with.

I entered this role with great enthusiasm, but the repeated shifts in management decisions and lack of clear communication have impacted my ability to execute my duties effectively. It is essential for me to work in an environment where clarity and collaboration are prioritized.

I appreciate the opportunities I've had here, the team that I had keep me going this far. Thank you so much for all the experience.

Warm regards,

Jessa Lerasán
