Mr. Jonathan Derder
Team Leader

Dear Sir:

IPloy Incorporated has truly cultivated me in several aspects. Such, I owe to the individuals who unselfishly vested all their efforts in sharing everything valuable to me. All are worthy enough to be cherished. Though, as young as I am, I aim to further advance my career to which I am offered another opportunity. In this sense, I would like to express my intent to tender my voluntary resignation effective November 15, 2022.

Once again, thank you very much for all the support bestowed in me.

Wish you and the company more success.

Very truly yours,

EMMARIE JOY V. CALLENO
