To whom it may concern,

I am writing to inform you of my decision to resign from iPloy. Effective March 1, 2023 as I am going back to the seminary to pursue my priesthood vocation.

Working here has really been one of my favorite jobs I've had, and I couldn't have asked for a better group of people as team to work alongside. I know I can't thank you enough, but I am truly grateful for the experience I've had. I definitely have learned so much while working here, being part of a great Team and under the best TL, I am sad that I am leaving but it's a decision I have made for good. Thank you for your understanding.

Sincerely,
