To Whom it May Concern,

Good day! I hope everyone is safe and doing well.

Please accept this letter as a form of resignation from my position as a Stop/Patient Held Contact dialer effective on October 18, 2022. Please know that this decision was never easy to make because this is one of the companies which taught me a thing or two and has helped me improve my way of dealing people (patients). Behind this resignation is my consideration of career growth that will allow myself to expand knowledge and experiences.

Thank you for the trust and for giving me the opportunity to improve my social and communication skills even for short period of time. I wish the company good luck!

Yours Sincerely,

Carolene N. Cuaca
