

Dear iPloy,

Good day!

I've come to realize that this company gives me numerous opportunities to hone my skills. I cannot imagine leaving the job, co-agents, or management because they are all so gratifying.

My final and most significant teaching experience will take place this semester as I complete my bachelor's degree in elementary education at the University of Cebu Lapu-lapu and Mandaue. I have to choose between practicing teaching and working here at iploy. I hope iPloy will take my decision into consideration while I focus on my practicum and thesis.

Iploy, you're the finest; I'll be leaving on February 13, 2023. I wish I could come back when I graduate.

I appreciate it so much, iPloy.

Sincerely,

KATE CATHRINA T. ORELLANO
