To whom it may concern,

I am writing to formally resign from my position as an Intake Specialist immediately at iPloy OPC effective, 05/29/2025.

This has been a very difficult decision, but after much reflection, I have realized that I need to prioritize my mental and physical well-being. The fast-paced city life and the nature of the BPO industry have taken a toll on me, and I feel like I cannot no longer cope up with the environment. For my health and peace of mind, I have decided to return to my hometown and seek a more stable and balanced lifestyle.

I sincerely apologize for the short notice and any inconvenience this may cause. I am truly grateful for the experiences, growth and support I've received during my time with the company. It has been a valuable chapter in my professional journey, and I hold deep appreciation for the opportunities and friendships I've gained.

Thank you for your understanding.

Sincerely,
MARIA LORLDITA L. RED
