Dear Ma'am/Sir,

It is with a heavy heart to inform you that I'm resigning from my position as customer service representative for iPloy effective immediately.

I have been struggling to meet the demands of my life, and this has given me a great deal of stress that I have been unable to resolve. It's taking a toll on my everyday life.

Despite everything, I just want to say thank you for all your help and the opportunities you have given me during my time with the company, and thank you for understanding my situation.

Sincerely,

Regor Catampo
