To HR Department,

I write to inform you that I am resigning from my position here as Customer Service Representative. Effective October 17, 2022.

A bigger opportunity has come into me and it is something I have ever dreamed of. Aside from it, I also need to consider my health and rest for the meantime.

I appreciate the support during my training period here, and I take with me the learnings and experiences I have gained over the last few weeks of staying. It has been a pleasure working with you and the company.

Best Regards,

KYLA CAMPO
