

March 3, 2023

To the Human Resource of Iploy Staffing Solution,

Please accept this as my formal resignation from Iploy Staffing Solution. Working here even in the shortest span of time from September 26, 2022 to March 3 2020 has been a learning experience. The company has provided me vast experiences in customer services. I am grateful for all the support during my time there and deeply appreciate all the valuable experiences I have gained. It has been a sincere pleasure working with you and the team.

Sadly, I already stopped coming to work started March 6, 2023. The matter at hand was urgent and sudden. I messaged my team leader the day prior to the decision. I didn't mean to be ungrateful but the situation that I'm facing is an emergency that needs my immediate attention.

Hoping for your kind consideration.

Best Wishes and Thank you for everything,

Respectfully yours,
