Dear Ms. Andrea:

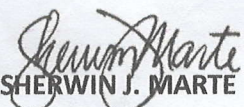

Greetings of Peace!

I would like to inform you that I am resigning as an employee in the company effective January 6, 2023.

With a grateful heart, I will never forget the generosity of the company as well as the kindness and the sense of being a family of the people that I met with, especially in the Compliance department. As much as I would like to stay longer, but my health has taken its toll on me.

May God bless you always!

Sincerely,
