**Credits:** One collegiate unit of credit is one hour lecture or recitation each week or a total of 18 hours in a semester. Three hours of laboratory work each week or a total of 54 hours a semester are regarded as one unit of credit.  
 The semestral average grade of a student is computed by multiplying the grade earned by the corresponding unit/s assigned to a course and the product as summarized is divided by the total units earned for this semester.

**Note:** This Transcript of Records (TOR) is considered original when it bears the original signature of the Registrar.  
 Any erasure or alteration made on this copy renders the whole transcript invalid.
