RESIGNATION LETTER

To Whom It May Concern,

I am writing this letter to inform you that I **Rocelle Calibud** is resigning as RCM specialist of the Authorization Department effective as of **MAY 15,2024**.

I just want to grow with a company that sees the value of the hard work of their agents and where their senior team leads can be a good example to their agents. It is sad to say, but I don't see it with IPloy anymore.

Still, I am thankful to iPloy for the experience, and I will always be grateful for the chance they've given me.

Have a good one and thank you for the experience!

Sincerely,

Rocelle Calibud – 05/15/2024
