Dear HR Team,

I am writing to inform you of my resignation from RCM, Specialist - Authorizations at iPloy Staffing Solutions, effective on February 15, 2023.

I will be resigning due to a number of worsening health issues and feel it would be best to focus on recovery. Unfortunately, it has become clear that under these circumstances I am unable to satisfactorily perform my responsibilities as RCM, Specialist - Authorizations. Therefore, in the best interest of all parties that I resign.

I've been very fortunate to have had the fantastic opportunities to grow and make lifelong friends during my time at iPloy Staffing Solutions. Thank you so much for your guidance and support during my tenure.

Please let me know how I can be of help during this transition period. I want to wish you and everyone on the team nothing but success for the future.

It has been a pleasure working with you.

Sincerely,

  
Jessa Bucayan
