

IMMEDIATE RESIGNATION LETTER

Dear Human Resource Department:

I hereby tender my resignation effective today, 1/26/2023.

Working in iPloy Staffing Solutions in my last few months has been the most fulfilling experience of my life. However, I have encountered some rude and unprofessional people which became the reason why I was demotivated to go back. As days go by, my mental health started to deteriorate which leads me to to the conclusion to resign and leave.

This nightmare has interfered with my focus and productivity and has been detrimental to my mental health. I believe my experience is something that no one should have to battle with daily at work. Therefore, I have decided to resign from my position. If you need any additional information, you may reach me at 09687214824 or send me an email to cayanghoa@gmail.com.

Yours sincerely,

Abigail Cayangho
