Sub: Resignation due to stress

Dear Sir/Madame,

I am deeply saddened to inform you that I will be resigning from my job as a Customer Service Representative (Intake Department) at iPloy OPC company effective today June 29,2023.

As you may already know my medical conditions that made me affect my performance at work specially my absences for the past few months and it's all because of sleep problems and stress. My doctor advised me to reduce stress other than it may lead to panic attacks. Therefore I want to resign and take some time to recover completely.

I am so honored that I became a part of your company for the past eight months . I will cherish all the great memories and experience I spent here with my team and wishing you all the best and the company.

Best Regards,
