Dear iPloy,

In this very hard and dark moment I'm going through I'm so broken hearted to inform our good office that I can no longer continue to work. Effective date April 1st of this year I am now resigning as part of your growing family in IPloy. I know your end was fully aware about my health issue since I always provided you updates. It breaks my heart leaving my team behind unexpectedly.

Thank you for your guidance and support during the time I'm still learning with you all. It will be part of my forever treasure.

May the lord always be with you my IPloy family.

Sincerely yours,
