Greetings!

I regret to inform you that, after much thought, I have decided to resign. Please accept this letter as a formal notice of my resignation. I know this may seem unprecedented, but for so many reasons, I have decided to choose myself and release myself from the draining energy Initial Authorization has given me. From this day forward, May 20, will be the last day.

Although it has been a difficult decision to leave iPloy, I must put myself to the top of my priority. All the betrayals, and all the heartaches and the unwanted one-on-one with the manager for doing the right thing, have made me decided to stop. Justice was never served when I reported that altercation with Team Lead, Ron Ofquiria.

Sincerely,

John Miguel A. Caruana
