Employee Relations Supervisor  
iPloy Staffing Solutions

Good day!

It is beyond any doubt that in a year that I have worked in this institution, I have learned a lot of invaluable lessons myself for which I am most grateful.

Working with the great people at iPloy proved to be a fortunate decision on my part as it has provided a dynamic dimension to my career.

At this point in my life, I deem it timely and necessary to find greener pasture. It is in this hopeful spirit that I submit this letter of resignation effective January 02, 2025.

Rest assured that I will carry on the noble values this institution has so selflessly sowed on me wherever I may go. In this light, I am indebted and thus,

Ever grateful,

Karla Joyce Lavajo Saccade
