To Whom It May Concern,

I am writing to formally resign from my position as a Customer Service Representative with AdaptHealth at iPloy, OPC, effective March 7, 2025.

Over the past two years, I have been fortunate to experience both personal and professional growth in this role. I am deeply grateful for the opportunities to develop my skills, contribute to the team, and gain meaningful experience in customer service. Now that I have passed the board examination for teachers, I am excited to embark on a career in education.

I am especially grateful for the support, collaboration, and camaraderie of my colleagues, who have made my time here truly rewarding.

While I look forward to the next chapter of my career, I will always be appreciative of the knowledge and experience I have gained here.

I wish you and the company the very best going forward.

Sincerely,

Juvie Mae Cagande
