To Whom It May Concern;

I regret to inform you that I am resigning from my position as PAP Compliance CSR, effective today (April 4th 2023), due to my health condition. I have found it challenging to perform my duties to the best of my abilities while managing my health. Therefore, I believe it is in my best interest to focus on my health and step down from my role.

I am grateful for the opportunities and experience that I have gained during my time. I have learned valuable skills that I will carry with me throughout my career. I appreciate the support and guidance that I have received from the team.

Thank you for understanding my situation.

Sincerely,

Aira Yordan
