To Whom It May Concern;

Please accept this official letter of resignation from my position as Customer Service Representative with iPloy OPC. Effective date will be Monday, 17-July-2023.

I have decided to pursue entrepreneurship and go all-in with my family's small business. I am so grateful for all your support during my time here in iPloy and deeply appreciate all the valuable experiences I have gained. I'm excited to take all that I learned from here to future roles and opportunities.

I wish iPloy's continued success.

Sincerely,

Jolly Dalupere
