

Christian Ybañez
Insurance Change Specialist, IPLOY
August 28, 2023

To whom it may concern,

Through this letter, I hereby announce my resignation from the position of Insurance Change Specialist for IPLOY, effective August 30, 2023.

In light of the reported incident, I could no longer work efficiently and effectively fearing that it may happen to me again. Or in instances that the investigation may push through it may imperil my safety given that we are only workmates. I faced anxiety attacks inside the production while taking calls in the month of July and August that severely affected my mental state. Amidst envisioning growing in this company, I no longer find the place safe.

Amidst what happened, It has been a pleasure working with you in the entire 2 months. In my time here, I have grown professionally and I am grateful for all the guidance, support, and opportunities given to me. In particular, I would like to thank you for providing me with a lifelong learning experience and a warm working environment during my time at IPLOY.

You have my full commitment and cooperation for a smooth transition of responsibilities. Please let me know how I can be of further assistance.

Sincerely,

Christian Ybañez
