Dear Ms. Padigos,

I hope this letter finds you well. I am writing this letter to officially resign from my position as a Customer Service Representative at iPloy OPC effective immediately.

This decision has been a difficult one, as I truly value my stay here. I have had the opportunity to work with incredible colleagues and build good friendship with people on the organization.

However, I decided to pursue a new opportunity that aligns more closely with my long term career goals and offers better compensation. I believe this is the right step both for my personal and professional development. The experience and knowledge I have gained at iPloy have been invaluable and will always remain with me throughout my career.

I am confident that my successor will find iPloy to be a place of growth and learning just as I have. Please let me know how I can assist in this process or if there's anything I can do.

Sincerely,

  
FAITH PADIGOS
