To Whom It May Concern,

I am writing this email to inform you about my immediate resignation that will take effect this October 30, 2024. This decision wasn't made lightly and was taken into a reconsideration however I am currently looking into a much bigger opportunity that can help the growth of my career and personality.

I understand that this sudden resignation may cause some inconvenience, and I apologize for any disruption that this may cause to the team I am currently in. I appreciate the help and the professional development I've gathered by staying here in iPloy.

I wish you, the team, and iPloy the best of success in the near future.

Sincerely,
