To whom it may concern,

I hope you are doing well. I am writing to formally resign from my position as a Customer Service Representative at iPloy, OPC, effective immediately. I need to prioritize my academic commitments, particularly focusing on my practicum duties as part of my degree program.

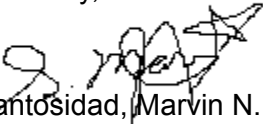

After careful consideration, I have determined that I must dedicate all my attention to my studies and internship at this time. My educational goals require me to make this shift in focus.

I am truly grateful for the opportunity to have worked with such a wonderful team and for all the support I have received during my time at iPloy. The experience has been invaluable.

I apologize for any inconvenience caused by my immediate resignation and am happy to assist in any way to ensure a smooth transition.

Thank you for your understanding.

Sincerely,

Santosidad, Marvin N.
