To whom it may concern:

Please accept this letter as my formal resignation from my role as PAP Specialist in Adapthealth effective today August 30, 2024. I have stayed here for 13 months and it was such a good experience for me.

Thank you for the opportunities for professional and personal development you have provided me during my tenure. PAP Specialist has hastened my abilities to deal with customer service challenges but it also affected my mental health.I enjoyed my colleagues' company and my stay here. I also appreciate the support you have provided.

With so much consideration, I have decided to leave my post as a representative here to mend my mental health issues .

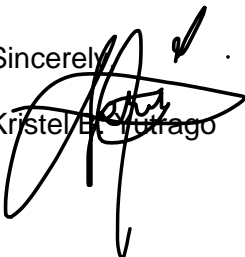

Please let me know if there is anything I can do to make the transition smoother.

I wish you and the company the best!

Thank you.

Sincerely,

Kristel B. Yutrigo
