Dear Management,

I, Jilit Sedentario would like to render this resignation to my position as document recert agent under TI Helen Villarin recert documentation department., effective today Nov.22,2025.

It has always been pleasure working with people that makes work fun ,light and continuous learning. But I have to find a management that will value my worth and would prioritize my mental health. I have to spread my wings and continue learning in an environment that will make sure my potential won't go wasted.

Nevertheless, I thank the management for giving me the opportunity to work in the company. Thank you and God bless.

Sincerely,

Jilit I. Sedentario
