To: **Karen Lubay**

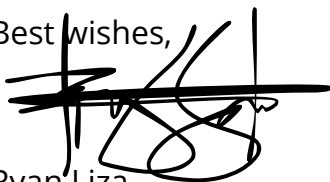

I would like to inform you that I am resigning from my position as Authorizations Specialist at Iploy OPC effective December 24, 2024.

I truly appreciate the opportunities I have been given to develop my skills and grow within my role. It has been wonderful working with you and the team for the past 1 year and 4 months. I have enjoyed my tenure at Iploy OPC and feel grateful for my career alongside such a dedicated team.

The reason why I have decided to resign is that I need to look for my physical health, lately I have experienced this dizziness and blackout vision. I need a rest and maybe going back to my province for good.

I am also happy to assist with anything else you may need during this transition. Thank you for your guidance and understanding. I will look back on my time here at Iploy OPC. I wish you and the company all the best.

Best wishes,
