Dear Joanna Life,

I am writing to inform you that i will be leaving the company on 15th day of May.

I have very much enjoyed working with you and am more than grateful for the career opportunities you have provided me. The reason why I decided to leave the company is that I'm looking for a new opportunity that doesn't exist at my current company where I can develop and expand my skills, but circumstances dictate that it is now the right time for me to move on. I am proud to have achieved so much with such fine and respectable peers these past 9 months.

I sincerely appreciate IPloy's support during this past months. Because of our shared accomplishments, i will always consider myself as part of the company. I wish all my colleagues the best, and am certain that IPloy will continue to grow and successful.

Sincerely,

  
Jhunjever J. Auguis
