Dear STL Minguan & TL Abella,

I am writing to inform you of my immediate resignation from my position as a Customer Service Specialist at CSR NY Department under the management of iPloy-OPC Staffing Solutions. My final day of work will be on August 8, 2025.

I am leaving iPloy-OPC Staffing Solutions because I am choosing to pursue my college degree with full focus and attention. I apologize for the short notice, but I truly needed the time to be prepared for this journey.

I am grateful for the opportunities and experiences I have had during my time with the company. I enjoyed working with my colleagues and all the people in the management group, as well as those who facilitated us during the process.

I wish you and the company nothing but the best. Thank you, and more power.

Sincerely,  
  
Jewane Abing  
Customer Service Specialist  
CSR NY Department
