Metrics Call Services, PH

Dear Jonsilyn Masaling,

I am writing to inform you my resignation from Customer Service Representative at Metrics Call Services PH, effective November 6, 2023.

I will be resigning due to my health condition which causes of my teammates failure to our attendance and it would be better for me to focus on my health first. Unfortunately, it has become clear that I cannot be able to perform my duties and attend in my shift due to this circumstances and it is best for me to resign.

I've been so grateful for all the opportunities that I was able to grow and learn. Aside from learning, I also made lifelong friends during my time at the company. You also made me feel that I can do all these things thru hard work and you did not even blame me for all the failures that I have encountered instead you help me to become better and to believe in myself. Thank you for all the support, guidance and advice you have given me. I wish you and the company the best going forward.

Sincerely,
Jelly May Nuzon Tugab
