Dear Ma'am,

I am writing to formally inform you that I won't be able to continue my training as a Customer Service Representative at iPloy OPC due to health issues.

Unfortunately, this happened during my medical exam (PEME) and I sent an email because of my absence that day (November 06, 2023). The nurse told me that I am underweight that's why I have bruised and still have bad headaches. I also was not able to comply with my lacking requirements on the said deadline and haven't continued my medical exam because of my menstruation.

My medical condition has made it impossible for me to continue to participate in the training program and meet the performance expectations required for the role. I want to express my gratitude to the company for the support and opportunities I have received.

Thank you for understanding my situation and for the support you have provided during my training at iPloy.

Sincerely,

Lea Baldoman
