Dear iPloy Management Team

I am writing to formally resign from my position, effective immediately (August 14, 2025)

This decision comes after careful consideration and is due to several ongoing concerns within the workplace. I have found the management style to be ineffective and unsupportive, the working conditions to be poorly maintained, and the lack of opportunities for employee growth to be discouraging. Additionally, the compensation does not reflect the time, effort, and value contributed by the Agents.

While I have tried to remain committed to my responsibilities, I believe it is in my best interest to step away at this point. I hope that my departure will bring attention to some of the underlying issues affecting employee satisfaction and retention.

Thank you for the opportunity to be part of the team, and I wish the company growth and improvement moving forward.

Sincerely,

  
Christine Bacornay
