Dear Hr Team,

It is an honor and privilege to work as a customer representative at your prestigious company wherein I have developed my skills in communication as well as my ability to actively listen so as to keep my best composure specially in handling a negative situations.

I firmly believe that the qualities that I have objectively acquired from the trainer and from my co-agents could be reckoned as my debts though. However, as much as I wanna be with this company , but I am also looking for something which improves the ability that I started when I was taking calls and now I want to continue it. This is a way for me to formally resign effective February 02, 2024. I do hope and wish for a continued success for your company in the near future. Thank you so much and more power.

  
Sincerely yours,

Delgie Buagas
