Dear Hr,

I hope this message finds you well. It is with a heavy heart that I am submitting my immediate resignation effective today October 29, 2025 from my position at Iploy due to personal health reasons.

Lately, I have been struggling with my health and mental well-being following childbirth. My postpartum condition has affected my ability to work effectively, and after much thought, I have decided to prioritize my recovery at this time. I believe stepping away from my duties is the best decision for both my health and the company.

I want to express my heartfelt gratitude for the support and understanding I've received during my time with Iploy. I truly appreciate the opportunities and trust given to me, and I hope for your understanding regarding my decision.

Thank you again for your consideration and support.

Sincerely,

Caren B Tabarno
