Hi Patricia,

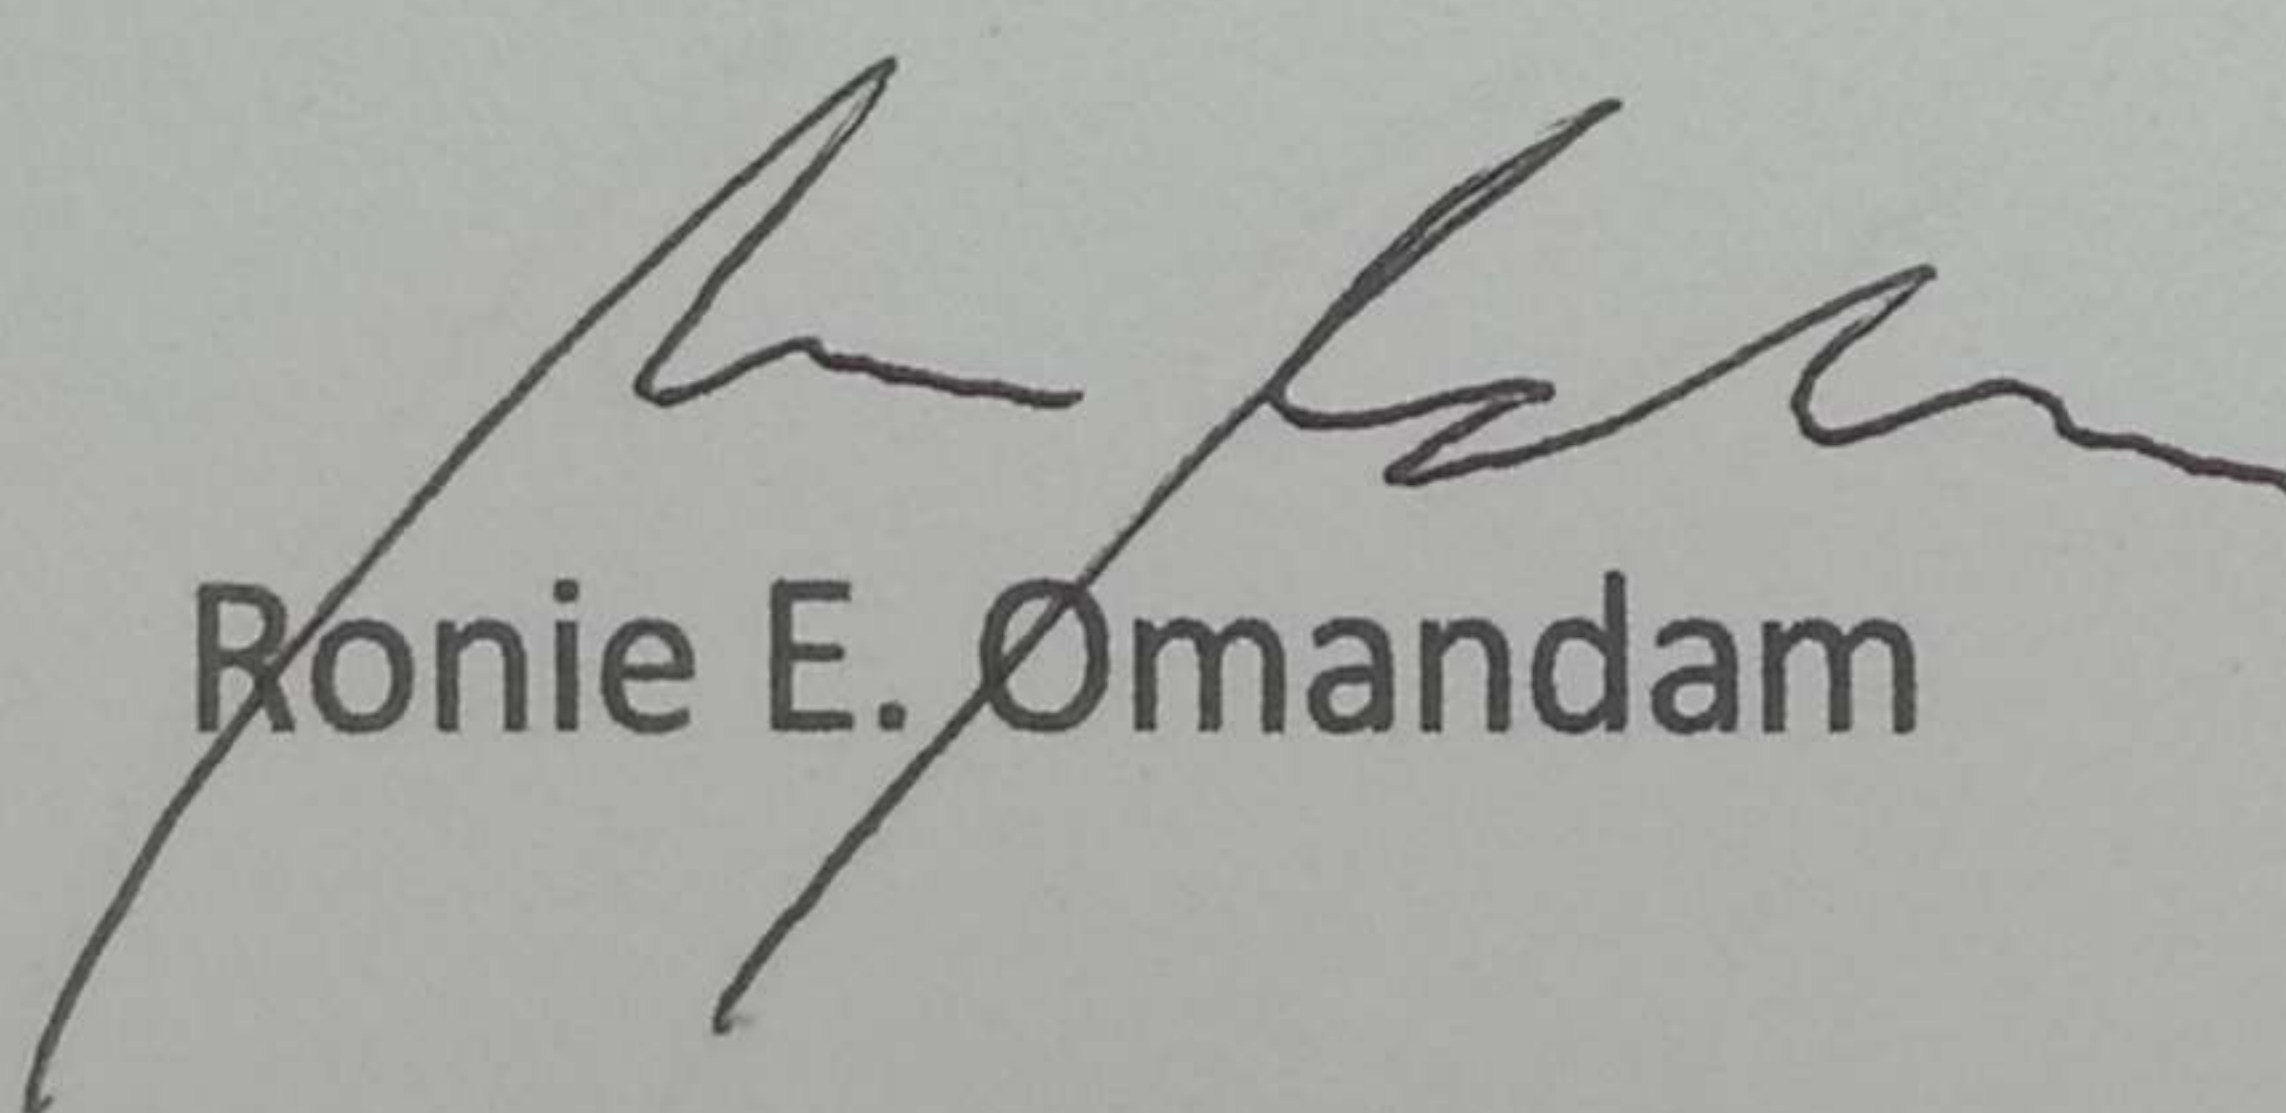

With a heavy heart I am writing this letter to inform you of my immediate resignation from the company.

In as much as I would like to stay longer with the company, the circumstances would not allow it anymore. Denied of the opportunity to grow, to learn more, and to work on the areas for improvement, it is just imperative that staying longer and working with the kind of lead will not be healthy anymore and will just undermine the essence of being a team.

I will always be grateful to the company for giving me the chance of being a former employee of iPloy. I am most thankful knowing a lot of real persons; from operations, admin, utilities, guards, etc. for they have made my stay meaningful. I will only bring with me good memories with the people I have come to know.

Ciao, your employee with EID# 4415 now signing off.

Respectfully Yours,

Ronie E. Omandam
