iPloy

Dear Ms/Mr,

It is a great opportunity working at iPloy, considering the fact that I dont have enough knowledge regarding my position and still giving me the chance to work at the company. I enjoyed working in this company with the great people around .

I wish to inform you that I am resigning from my position as a CSR - Patient Pay at iPloy and I am leaving because I want to pursue better opportunities. Effectively immediately on Tuesday, April 23,2024.

Thank you for the opportunity as well as the knowledge that you provided me during the last two months.

Sincerely Yours,

Shena Aburo
